About Us:-

Biocuris is a leading Pharmaceutical company based out of Mumbai which focuses on improving patient's lives by identifying, developing, and commercializing innovative products that address diverse medical needs. Biocuris Pharmaceuticals has a proud legacy of developing high-quality prescription drugs that address a wide range of medical conditions.

Biocuris Pharmaceutical was found by **Dr. Sanjit Singh Lamba** who is equipped with over 33 plus years of proficiency in the pharmaceutical industry and expertise in leading large teams across the globe, planning, executing & spearheading all the functions right from research, manufacturing of APIs and Formulations, Quality, business development to Sales and marketing functions.

Furthermore, **Dr. Lamba Served in operational and leadership positions** at MSD, Pfizer, Ranbaxy, Lupin, Eisai, etc. Moreover, he has also been associated with professional bodies like Indian Pharmaceutical Association, and the International Society for Pharmaceutical Engineers (**ISPE**) and served as the Past Chair - of the India Chapter of the Parental Drug Association (**PDA**) and past Chairman - of the Technical & Supply Chain committee for Organization of Pharmaceutical Producers of India (**OPPI**).
